

FIND THE MISSING LETTER

Objective: Students will identify the missing letter according to the alphabet order.

Materials:

- Create and laminate missing letters on sentence strips.
- Dry erase marker and eraser

Procedure:

1. Student will select a strip and write in the missing alphabet letter.
2. Self-check with answer on the back.

Options:

- Can be utilized with individual students, pairs, or in centers.
- Differentiate by creating individualized strips for students or small groups.
- Create lowercase strips.
- Create mixed uppercase and lowercase strips.

Example of alphabet strips:

- Letter missing before letters
- Letters missing before and after a letter
- Letter missing after letters
- Letter missing between two letters
- Mixed practice of all four in a row
