

Reinforce Fluency with Encoding

Purpose: To increase fluency

Procedure:

1. Select words and correctly write them on a laminated spinner.
2. Player 1 reads spins the spinner and reads word aloud.
3. Player 1 then writes the word on the spelling mat using one block for each letter.
4. Player 2 spins, reads word, and writes word.
5. If a player spins a word that is already filled in, they lose that turn and next player spins.
6. Each player continues to spin, read and write until one player has filled all 8 word spaces.

Materials needed: Laminated copy of spinner, paper clip, pencil spelling mat, marker

How to make a spinner

1. Gather supplies.
2. Print spinner template.
3. Place paper clip in the center of the spinner.
4. Place the pencil point in the center of the spinner and push the end of the paper clip so it rests behind the pencil point.
5. Spin!

SPIN! SAY! WRITE!
