

## Advanced Phonics

### Regularly Spelled High Frequency Word Sort

**Preparation:** Download and print the sorting mats, decodable flash cards; cut and laminate.

**Directions:**

1. Teacher selects phonics skills to differentiate for groups.
2. Students sort words according to categories.
3. Students write on a recording sheet the words sorted for each column.

**Options:**

Vary the number of words to sort.

Place cards on a ring to practice with partners.

Cards used for a formative assessment.
