

Heart Words Assessment to Mastery (Readsters, 2013)

Assessment Advisories

- Assess for proficiency of 1-3 words at a time.
- Students will be able to read the word in isolation and in text accurately.
- Students will be able to spell accurately.
- Students will score 85% or higher to demonstrate mastery.

Words used to demonstrate are: **said**

1. Finding the word in a list or row of other words

Teacher prompts the students to find a specific word from a list of words.

dot sad sat said sit

2. Find the word in a text.

Teacher prompts the students to find a specific word within a text.

My mom said, "Do not pet the pig."

"That pig is big," said dad!

Bob said, "That big pig looks like it has on a wig."

3. Reading the words from a card

Utilize flash cards with focus words and prior words taught. Students should read the word with automaticity.

4. Spelling the word

Teacher prompts the students to spell a specific high frequency focus words.
