

# Evaluating Phonological Awareness in Your Core Program

From The Reading Teacher's Top Ten Tools  
(Glaser, 2016)

## Phoneme Awareness

- ❑ Skills taught according to the phonological awareness sequence.
- ❑ Teaches awareness through articulation.
- ❑ Uses appropriate keyword associations to the phoneme taught.
- ❑ Provides opportunities to isolate phonemes in the initial, medial, and final positions.
- ❑ Provides opportunities to segment, blend, and manipulate phonemes.

If the program does not meet the standard, how can you avoid layering while also filling in the gaps?
