

LETTER DOMINOES

Objective: Students will match the letters they hold to the dominoes on the playing board.

Materials:

Print and laminate attached sheets on cardstock.

- Create an individualized domino set with the template.
- Use different colors for paper or fonts.
- As students learn new letters, add new dominoes.

Directions:

1. Turn all dominoes with the letters down.
2. Turn one domino over for the *Starter* domino
3. Each player will select 7 dominoes.
4. Player one will look at the *Starter* domino and see if he has a matching letter on one of his dominos.
 - a. If the player has a match, he places the domino so that the matching letters are end to end.
 - b. If the player does not have a match, he draws one domino and the next player has a turn. (going clockwise)
5. Next Player will continue the same procedure of checking his dominos to see if he has a match to play.
6. Winner is the first player that runs out of dominos by matching the letters.
